

Fathima Rifna

Batticaloa • 074-090-5670 • rifna0610@gmail.com • linkedin.com/in/fathima-rifna

Motivated ICT undergraduate with a strong interest in UI/UX design and front-end development. Skilled in building responsive websites and applying user-centered design principles through academic projects and self-learning. Passionate about creating intuitive, visually appealing digital experiences and eager to begin a career as a UI/UX Engineer Trainee where I can learn, grow, and contribute to innovative design solutions.

PROJECTS

Student Result Management System – ReactJS, PHP, MySQL May 2025
University of Vavuniya

- Developed dashboards and secure login functionality
- Demonstrated strong attention to detail and coordination skills

Personal Portfolio Website – HTML, CSS, JavaScript

- Designed responsive layouts with clear navigation
- Focused on user experience and usability

Restaurant table booking system June 2025
University of Vavuniya

- Developed a web-based restaurant reservation application with PHP, HTML, CSS, and JavaScript that allows users to check table availability and book or cancel a reservation with instant confirmation. I built an administrative dashboard where users can manage reservations and provide better service to customers. The user interface was friendly and responsive.
